adMare M4 Innovation Centre

The Opportunity

The adMare M4 Innovation Centre is designed to support the next generation of small to mid-sized life science companies to work on advanced research and innovation projects. Consider this space as the next generation life science shared and flexible space. Providing various sizes of private Lab Units, for a wide range of research and development uses, with flexible lease terms and commitments. Designed to enable tenants to focus on their research and development, avoid large capital investments, and lengthy construction timelines. The space offers a range of private offices to support the Lab Units, as well as various shared Meeting Rooms, Lab Service Spaces, Large Community Kitchen and Lounge.

Details

This brand new facility is designed to meet all needs of this next generation of innovators. Featuring built out lab rooms from 500 SF to 5,000 SF, with offices ranging from Small Private Offices to larger multi-person private rooms. A mix of large and small collaboration and meeting rooms is made available, with network connectivity. A large community kitchen and lounge will provide a bright and inviting collaboration centre for all companies to connect, exchange ideas, and foster innovation.

For Lease - flexible lab space, on demand!

LOCATION

Located in the lively Mount Pleasant neighbourhood, the adMare M4 Innovation Centre is situated at the hub of Vancouver's life sciences community. The space is connected to ten major bus lines and is 5 minutes away from the Expo Line and the future Millenium Line (Main Street Science World Station and the future Emily Carr Station on the Broadway Line Extension). It is a 5-minute walk to the Mount Pleasant coffee and brewery scene and 10-minute walk to the Olympic Village retail district and False Creek Seawall.

The Mount Pleasant neighbourhood continues to attract innovative tenants by providing use specific spaces that facilitate collaboration and innovation-specifically laboratory and creative office spaces.

- Directly located on dedicated bike lane with 9 minute cycle distance to Yaletown
- 5-8 minute walking distance to three SkyTrain stations (Expo & Future Millenium Lines & Canada Line)
- 6 minute transit time to Vancouver City Centre

MOUNT PLEASANT

Mount Pleasant is the coolest neighbourhood in Vancouver, known for its parks and restaurants. This bustling area combines new developments, excellent transportation, and a variety of amenities, including coveted restaurants and coffee shops, award-winning breweries, popular grocery stores, and emerging businesses. Centrally located between Main/Cambie Street, West 2nd Avenue, and West Broadway, it encourages employees to return to the workplace.

The nearby Olympic Village is filled with restaurants and services, adding to Mount Pleasant's appeal. With its vibrant arts and culture scene, Mount Pleasant has become Vancouver's top workplace destination.

80+
Restaurants

Experience dining at lively and vibrant 80+ restaurants in the area.

32+
Cafés

Enjoy a perfectly crafted coffee brew or a delicate pastry at one of 32+ local cafés.

200+
Businesses

Home to 200+ local and international businesses, grow your business in this thriving community.

LIFE SCIENCES HUB

Vancouver's Mount Pleasant and False Creek neighbourhoods have become the epicentre of BC's Life Science community. The adMare M4 Innovation Centre is located in the centre of Vancouver's burgeoning Life Science Hub. Situated in the middle of VGH, BC Cancer, and the new St. Pauls Hospital. Surrounded by three transit lines (Expo and Future Millenium Lines & Canada Line), and anchor companies like Abcellera, Zymeworks, Stemcell and Aspect Biosystems.

adMare M4 Innovation Centre

Size: Flexible 500 - 5,000 sq. ft.

Term: Flexible 1-5 years

Availability: Immediately

Space Condition: Full built-out lab spaces, furnished office, and common areas

Overview

The adMare M4 Innovation Centre is designed to cater to a wide range of Life Science research size requirements, various lab designs, and office requirements. This one of a kind space is for the next generation of life science companies to do their best work.

Each lab is fully built out, equipped with Benches, lab sink, hand washing sink, and select rooms include BSCs or Fume hoods. Offices are fully furnished and ready for occupancy. All meeting rooms and common areas are fully furnished with the latest technology and connectivity. The space is rounded out with a beautiful large kitchen and lounge area, a place to relax, regroup and connect with your team and peers.

Companies can lease flexible shared lab and office space on demand.

ABOUT adMare

As Canada's life sciences company creation engine, adMare BioInnovations develops and helps scale a pipeline of highly investable, globally competitive life sciences companies. Through early-stage capital, scientific and drug development expertise, turnkey lab and office facilities, and focused talent and leadership development programs, adMare fills critical gaps to de-risk and accelerate innovation, create value, and anchor growth—helping to improve patient lives and achieve the vision of a national life sciences industry that leverages Canada's scientific research excellence.

adMare has helped build 54 companies that have raised \$2.5B in real risk capital, have a combined value of \$5.8B and created approximately 1000 jobs. Our innovation centres and talent training programs have further supported hundreds of companies across Canada. For more information, please visit www.admarebio.com.
